Code of Ethics of the Town of Wilmington

Section 1. Purpose.

Officers and employees of the Town of Wilmington hold their positions to serve and benefit the public, and not for obtaining unwarranted personal or private gain in the exercise and performance of their official powers and duties. The Town Board recognizes that, in furtherance of this fundamental principle, there is a need for clear and reasonable standards of ethical conduct. This code of ethics establishes those standards.

Section 2. Definitions.

(a) "Board" means the governing board of a municipality and any municipal administrative board (e.g. planning board, zoning of board of appeals), commission, or other agency or body comprised of two or more municipal officers or employees.

(b) "Code" means this code of ethics.

(c) "Interest" means a direct or indirect financial or material benefit, but does not include any benefit arising from the provision or receipt of any services generally available to the residents or taxpayers of the municipality or an area of the municipality, or a lawful class of such residents or taxpayers. A municipal officer or employee is deemed to have an interest in any private organization when he or she, his or her spouse, or a member of his or her household, is an owner, partner, member, director, officer, employee, or directly or indirectly owns or controls more than 5% of the organization's outstanding stock.

(d) "Municipality" means Town of Wilmington. The word "municipal" refers to the municipality.

(e) "Municipal officer or employee" means a paid or unpaid officer or employee of the Town of Wilmington, including, but not limited to, the members of any municipal board.

(f) "Relative" means a spouse, parent, step-parent, sibling, step-sibling, sibling's spouse, child, step-child, uncle, aunt, nephew, niece, first cousin, or household member of a municipal officer or employee, and individuals having any of these relationships to the spouse of the officer or employee.

Section 3. Applicability.

This code of ethics applies to the officers and employees of the Town of Wilmington, and shall supersede any prior municipal code of ethics. The provisions of this code of ethics shall apply in addition to all applicable State and local laws relating to conflicts of interest and ethics including, but not limited to, article 18 of the General Municipal Law and all rules, regulations, policies and procedures of the Town of Wilmington.

Section 4. Prohibition on use of municipal position for personal or private gain.

No municipal officer or employee shall use his or her municipal position or official powers and duties to secure a financial or material benefit for himself or herself, a relative, or any private organization in which he or she is deemed to have an interest.

Section 5. Disclosure of interest in legislation and other matters.

(b) The disclosure shall be made when the matter requiring disclosure first comes before the municipal officer or employee, or when the municipal officer or employee first acquires knowledge of the interest requiring disclosure, whichever is earlier.

(c) In the case of a person serving in an elective office, the disclosure shall be filed with the governing board of the municipality. In all other cases, the disclosure shall be filed with the person's supervisor or, if the person does not have a supervisor, the disclosure shall be filed with the municipal officer, employee or board having the power to appoint to the person's position.

In addition, in the case of a person serving on a municipal board, a copy of the disclosure shall be filed with the board. Any disclosure made to a board shall be made publicly at a meeting of the board and must be included in the minutes of the meeting.

(b) In the event that this section prohibits a municipal officer or employee from exercising or performing a power or duty:

(1) if the power or duty is vested in a municipal officer as a member of a board, then the power or duty shall be exercised or performed by the other members of the board; or

(2) if the power or duty that is vested in a municipal officer individually, then the power or duty shall be exercised or performed by his or her deputy or, if the officer does not have a deputy, the power or duty shall be performed by another person to whom the officer may lawfully delegate the function.
